

THE MOST DEMANDING JOBS REQUIRE THE MOST ADVANCED EQUIPMENT

Borescope News

Greetings!

With companies becoming more aware of the benefits associated with using a video borescope for remote visual inspections (RVI) and nondestructive testing (NDT), ViewTech Borescopes has announced the addition of several new clients that utilize their VJ-3 articulating video borescope. With a strong emphasis being

placed on RVI and NDT throughout Oil & Gas, Power Generation, Aviation, Automotive and Manufacturing industries, ViewTech reached a record number of sales to end 2019. A selection of ViewTech's newest VJ-3 clients include AAR Aircraft Services, Apollo MedFlight, Greenville Electric Utility System and H&S Inspection Service, Inc.
