### Record-Setting Video Borescope Unit Sales Begin 2nd Quarter 2021

With thousands of ViewTech Borescopes clients relying on a VJ-3 video borescope for routine inspections and maintenance, word-of-mouth referrals contributed to ViewTech's record unit volume sales during April business. Two of the newest users were both advised by ViewTech clients and added a VJ-3 video borescope to their inspection processes are an American professional stock car racing association and an electrical equipment and solutions company.

### Manufacturing Expansion to Last Through 2021, ISM Says

Economic expansion in manufacturing will last for the rest of this year, the Institute of Supply Management said in a forecast issued May 18, 2021. Revenue in manufacturing is expected to rise by an average of 7.2 percent this year, the Tempe, AZ-based group said. That's higher than a December forecast that called for 6.9 percent again.
