

## BORESCOPE NEWS

{First Name},

### **Rental Inspection Video Borescopes Available When Owning Not Feasible**

As companies and industries encounter a new or one-off inspection, it is not always a viable option to purchase a high-quality borescope. ViewTech Borescopes not only provides an array of articulating video borescopes for sale, but every inspection video borescope is available for short or long-term rental periods at a fraction of the cost.

## INDUSTRY NEWS

### **Manufacturing Keeps Growing, and Price Inflation is Accelerating**

New manufacturing data were released Thursday morning. The data show the manufacturing sector of the U.S. economy is growing nicely, but a little slower than it did in May. What's more, prices for industrial products are still going up as

manufacturers continue to battle inflation.

## Demand For Light Tactical Transport Aircraft Booming

Light tactical transport aircraft may not represent the most high-profile segment within the military aircraft market, but it is a segment where a wave of modernization is currently underway. As legacy fleets are phased out, many air forces around the world are seeking to sustain the niche capability these platforms provide.
